Fill in and include a Work Order Form with paperwork. **Double fees** will be charges if upgrades are not done within three (3) months of their expiry dates.

If a foal, horse or pony has been registered with another Society, a copy of both sides of their registration certificates must be included with your paperwork.

A Vet check by a qualified Veterinarian is to be done before a foal, horse or pony with unknown parentage can be registered. A "Certificate of Soundness" form is available from the Secretary and **MUST** be included with the registration application form. No stock will be accepted for registration unless a "Certificate of Soundness" form is received with paperwork.

HORSE / PONY MUST BE EITHER BRANDED OR MICROCHIPPED and photos being one each side & front head photo are required of the foal, horse or pony being registered. No changes to "heights", they will remain the same for all categories.

A "Stud" name is also required to register stock under.

Should there be an error on your National Miniature Registry Inc Registration Certificate, return to the Secretary for correction. A member must not add to or alter any errors or their Certificate becomes invalid.
